

Pulham St Mary Village Charities
Finance Report
AGM 14th April 2026

Good evening everyone. In 2025 the Village Charity has been brought up to date to include banking on-line and all incoming transactions by bank transfer.

We received £1,723.00 in investments for the year and £400 for the rent of South Green Field.

2 Grants totalling £132.00 were approved by the Trustees, 1 being for school uniform and the other to help with the annual allotment fee.

We allocated a £250.00 gift shared between 5 neighbours.

Pulham St Mary Church were awarded 1/5 of our income which was £200 for 2025. The total you see includes the 2024 award that hadn't been deposited until this financial year.

Stationery equipment included storage boxes to keep files and postage.

Miscellaneous expense was a replacement cheque fee due to the cheque being in the wrong names.

South Green is now used by the Manshed and a local football club, we are at present applying for the land to be registered.

We continue to work with the investment Mr William Pennoyer gifted to the village.

Thank you for your time.
